Notes:

1. Arunachal Pradesh: The State Government has informed that though they have constituted the SDLC, DLC and SLMC under the Act but unlike the other States of Indian Union where the Scheduled Tribes and other traditional forest dwellers are in minority and socio economically marginalized by other dominant non-tribal population, the State of Arunachal Pradesh is wholly domiciled by various ethnic tribal groups whose land and forests are specifically identified with natural boundaries of hillocks, ranges, rivers and tributaries. Barring few pockets of land under wildlife sanctuaries, reserved forests, most of the land in entire State is community land. Territorial boundaries of land and forest belonging to one community or tribes from the others are also identified in the same line leaving no scopes for any dispute over the possession of land forest or water bodies among the tribes. Therefore, the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 in true sense does not have much relevance to the State of Arunachal Pradesh.

2. Haryana: The State Govt. has informed that there are no Scheduled Tribes and other traditional forest dwellers living in the forests of Haryana.

3. Manipur: Information not available.

4. Mizoram: The State Government has informed that the Act is to be approved by the State Legislative Assembly as per the Article 371(G) of the Constitution. This is awaited.

5. Nagaland: The Government of Nagaland has informed that the land holding system and the village system of the Naga people is peculiar in that the people are the land owners. Hence, the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 per se may not be applicable to the State of Nagaland.

6. Sikkim: The Government of Sikkim has issued a notification dated 28.1.2008 regarding constitution of an Expert Committee for identification of Critical Wildlife habitats in Protected Areas (PAs) and have also constituted the various Committees under the Act but has not sent any report regarding the progress of implementation of the Act in the State so far.

7. A&N Islands: The Andaman & Nicobar Administration has informed that in A&N Islands there are no non-tribal forest dwellers as defined in the Act. The area inhabited by the Scheduled Tribes of A&N Islands has been declared as reserved area under the A&N Islands Protection of Aboriginal Tribes (Regulation), 1956. The interest of the tribals in the land situated in the reserved areas are fully protected under the provision of the regulation. The tribal reserves have been notified as reserved or protected forest reserve.

8. Daman & Diu: No progress.

9. Lakshadweep: The UT Administration has intimated that there are no terrestrial forests and no forest tribes or traditional forest dwellers in Lakshadweep.

10. Puducherry: The Government of Puducherry has informed that there are no recognized Scheduled Tribes in the Union Territory of Puducherry and also no land in Puducherry is classified as "Forest Land" coming within the definition of Clause 2(d) of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.
